SUBJECT:

NPIC Contract Status Report

I am advised by the Assistant for Administration,  
[REDACTED] that the new NPIC Contract Status Report  
is largely the product of your inventiveness and per-  
sistence. The Center is in your debt for such labor,  
and I am certain that the new format, currency and  
clarity of the report will be appreciated by our various  
government community customers. The Director, Mr. Lundahl,  
joins me in commending you for your efforts on this project.
